

## Christmas Pot Luck Supper – December 1, 2010

Once again at the **Annual Christmas Pot Luck Supper**, the members of the GGG treated themselves to a marvellous dinner. As usual there was a wide variety of food and many prizes given out during the evening.

A special thanks to Sue Young who coordinated the food, and to the members who helped set up tables and organize the evening. Without their energy and enthusiasm, this traditional GGG event could not have been its usual success. Thanks also to the members who brought their favourite dish and to the spouses and guests who participated. The evening was enjoyed by all.

**Best wishes and Happy Gardening for 2011!**
