

2010 Annual Spring Plant Sale

On Saturday, May 29th, the Greely Gardeners Group held its **Annual Spring Plant Sale** at Andrew Shields Park. Once again GGG members and the general public found terrific bargains on perennial plants for spring planting.

The GGG takes pride in offering all plants at prices from 50 cents to \$5.00.

Thank you to all GGG members who brought plants to the sale. Also, thank you to those who came to the Annual Spring Plant Sale to make your purchases, and to members who helped organise the event.

See you again next year!
