

## Annual Spring Plant Sale – May 28, 2011

The Greely Gardeners Group held its **Annual Spring Plant Sale** on Saturday, May 28th. Many members brought perennials from their gardens, the result of spring dividing, or last autumn's clean-up. Once again, we priced all of the donated plants between 50 cents and \$5.00, making our sale one of the 'best buys' in the area. A crowd of potential purchasers gathered at the 'door' waiting for the ropes to come down for the 9:00 o'clock start of the sale. By 11:00 o'clock, most plants were taken away to their happy new owners, and another extremely successful Annual Spring Plant Sale was in the books. Thank you to all members who provided plants for the sale, to the members who volunteered to work on the event, and to the public who supported our efforts.

Since the day was the of of the first good 'dry' days in some time, after the sale, members of the Executive Committee and several volunteering GGG members went to the Community Centre in order to perform our spring clean-up of the community centre flower beds. This cheerful task was followed by an equally cheerful visit to the chip wagon on Meadow Drive (support our local businesses). A great ending to a great **Annual Spring Plant Sale**. We are already looking forward to a repeat experience next year.

HAPPY GARDENING!
